

from gabon to gurgaon.....

rescued from potential decay, this beautiful piece of african hardwood has travelled over sea and land - from the rainforests of the congo to the hill station of kerala, and now calls Westin Gurgaon Home !! weighing more than 15 tonne, we have carefully handcrafted this ancient and majestic piece of timber from on piece, creating already a big talking point!!

and then to glass.....

paying homage to our pride and joy, our bartenders have created three special cocktails incorporating the flavours of the wood to the drinks. further, as a responsible business, we shall donate 20% of our sale of these cocktail to planting trees, an initiative towards greener planet.

sip and enjoy!
